Comprehensive Bible Study Lessons has been written to encourage Bible reading. Lessons were generated from the Old and New Testaments and designed to help Bible readers get an understanding of the Scriptures. The Holy Bible is the most important book ever written. It gives us an opportunity to delve into the mind of God and perceive His majesty, splendor, and magnanimous influence over all creation. We understand that God is in control. As questions are answered in this book, an understanding of God's Word is sure to come. The answers to the questions are placed in the back of the book. Lessons are purely from the Word of God and do not promote one religion over another. Because the need for God's Word is great, I believe Comprehensive Bible Study Lessons will appeal to all Christians.

It was in the year of 1976 that the Lord sovereignly and miraculously spoke to me to begin studying and publishing Biblical teachings to be shared with a world-wide audience. For the encouragement of the readership, let me recount this event that began with the first teaching the Lord gave me. As I was sitting at my desk in the pastor's study of the church taking care of administrative duties, suddenly and unexpectedly, the Lord spoke clearly, not audibly but rather in my spirit, to "clear the desk, get out a blank sheet of paper and pen because I want to teach you." The only things I had on my desk were a picture of my wife and sons, praying hands with thorns, and a calendar. It was such a shocking experience, that I really didn't know what he meant by "clearing the desk." So at first I just moved them around on the desk. Then I heard the Lord say, "I didn't say move them around, I said clear the desk!" So, I took these three items from my desk and moved them to my book shelf. In obedience to Him, I got out a blank piece of paper and a pen and just sat still at my desk, not knowing what to do next. Then the Lord began to teach me the following specific truths about His Word, the Scripture as recorded in the Holy Bible: 1. There is a thread that runs through the Bible from Genesis to Revelation on any given subject that contains the whole counsel of God. 2. When researching any subject, read and record every Scripture passage pertaining to that topic. 3. For every word in Scripture there is a balanced word, i.e. faith and works, heaven and hell, angels and demons, etc. 4. My Word is perfectly balanced. 5. Do not teach anything before you have the balance to that subject. 6. Record the entire Scripture passages and references on each subject. 7. Print out My Word directly from the Bible passages. 8. The best commentary on the Bible is the Bible. 9. Do not make this a commentary of your teachings but rather of My Word. 10. The Holy Spirit is the primary Teacher. 11. Only use Hebrew and Greek definitions of words to clarify word meanings. 12. The Bible does not contradict itself, so keep reading until the answer is found. 13. My Word is the "plumb-line" of Truth. 14. On either side of the "plumb-line" of Truth there are two ditches: Legalism and License. 15. The Truth sets you free and you are free indeed. What began as one teaching has developed into hundreds of teachings. It is to these principles and directives that I have adhered and have recorded the teachings He has revealed to me over the past 40 years.

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In One in a Million, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

This Bible study discussion guide is on Simon the Rock. That's what Jesus called him. We call him Peter. We can only look at a person on the outside. Jesus looks on the inside. Jesus sees what we are, our failures, our flaws, and by faith our fabulous futures! Jesus said, "Follow me." How do we do that? What does that mean? This New Testament guide helps you figure that out. The author wrote this as a Bible discussion guide for his small group. This book examines 51 scenes from the life of Peter. The author paraphrases in his own words what is going on in each biblical scene. Scripture references allow you to look up the details more fully if you wish. 200 questions are provided as tools to deepen your faith. These conversation starters help you discuss, ponder,

or share your thoughts. The goal of the questions is to help you feel what it was like to follow Jesus like Peter did. The author's plan is to read the scene, ask the questions and let friends share. You can follow Jesus and grow closer at the same time. Watch Peter follow Jesus. Discover some pointers for your own life. Try it!

This is the fourth book in this series that began with an in-depth look at how God views details, communicates with this world, and decides what process to use. Of course this series of books looked at aspects recorded in scripture about the Tabernacle. How the materials were collected, specific design details, who did the work, and how the Tabernacle was constructed. Much of that information is found in dozens, maybe hundreds of other books about the Tabernacle. But there are details setting this book apart from every other book written about the Tabernacle. This book takes a verse by verse, story by story, chapter by chapter look at the Tabernacle. In other words, this book presents a picture of the Tabernacle from God's point of view. Which the beginning of this series pointed out, is much different than any human perspective.

The Bible can be overwhelming. There are 66 books, written by over 40 different authors. It's easy to see how children (& adults!) get confused when studying the different characters, stories, and teachings of the Bible... Imagine picking up one of Shakespeare's books and trying to read page 200, then page 10, then page 150... It wouldn't make any sense! Yet, this is what we do with the Bible! We hop around and go "out of order." Abraham one day, David the next, and Jesus the following week. It can seem like these men all walked side-by-side, but in fact they lived 1,000 years apart! The two things missing from most Bible lessons are PLACEMENT & CONTEXT. Our Books of the Bible Reference Sheets were designed to provide context to each of the 66 books of the Bible. Each book has its own one-page "cheat sheet" full of the who-what-when-where-why background information. They provide the necessary background to frame how a particular lesson fits into God's historic story. They are the ultimate companion to ANY Bible lesson.

Bible scholar and teacher, Dr. John R. Hargrove has designed a wonderful, year-long course for the individual Bible student and for the classroom. Spread out over twelve courses, each book is a wonderful and insightful introduction to the Word of God. From Genesis to Revelation, Dr. Hargrove hopes to help you grow in the Lord and to understand his Word at a deeper, more profound level. An intimate level. Ideal for small group study and for the individual, the Biblical Studies 101 program is, we think, ideal for you, too. Excellent Beginnings: Course One Let's go back in time to the story of Creation and a study of the earliest men in the Book of Genesis. The question is: did God create us or did we come from a sort of cosmic soup billions of years ago? Since Creation has obviously taken place, I believe there is a Creator. He is God. In the Bible, we will see that God does not speak verbally to everyone, but chooses specific people to talk to, and asks them to go forth as prophets for Him. Those were usually men of great faith. We will soon learn that the Bible is not a story of great men, but of a great God. Yes, the Lord still communicates with us today, and I want to show you how. In this study, Course One of the "Biblical Studies 101", we will assume the Creation story is the true one. If you are not sure about that, I invite you to settle in and read what God has to say about it. Carefully crafted sermon ideas from an accomplished speaker for a wide range of preaching occasions.

Over thirty years of preaching experience have gone into this collection of ALLITERATED SERMON OUTLINES. Over 50,000 outlines total when combined with the other two volumes. Every line of the Bible has been outlined using alliteration. Great for sermons, teaching, and personal study.

From the very moment the man had seen the old fella - serving behind the counter, that bright afternoon - he had returned to that time, some 30 years ago. Something had taken over him; propelling him forward, carrying him through, and he had not come back to his full self until the deed had been completed. A deed that would open deep, septic wounds, that had been inflicted so many decades ago.
