"Conner learns that the only place to fight the Masked Man's literary army is inside his own short stories. When the twins and their friends enter worlds crafted from Conner's imagination, the race begins to put an end to the Masked Man's reign of terror"--

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's

uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

'Ulysses' is a novel by Irish writer James Joyce. It was first serialised in parts in the American journal 'The Little Review' from March 1918 to December 1920, and then published in its entirety by Sylvia Beach in February 1922, in Paris. 'Ulysses' has survived bowdlerization, legal action and bitter controversy. Capturing a single day in the life of Dubliner Leopold Bloom, his friends Buck Mulligan and Stephen Dedalus, his wife Molly, and a scintillating cast of supporting characters, Joyce pushes Celtic lyricism and vulgarity to splendid extremes. An undisputed modernist classic, its ceaseless verbal inventiveness and astonishingly wide-ranging allusions confirm its standing as an imperishable monument to the human condition. It takes readers into the inner realms of human consciousness using the interior monologue style that came to be called stream of consciousness. In addition to this psychological characteristic, it gives a realistic portrait of the life of ordinary people living in Dublin, Ireland, on June 16, 1904. The novel was the subject of a famous obscenity trial in 1933, but was found by a U.S. district court in New York to be a work of art. The furor over the novel made Joyce a celebrity. In the long run, the work placed him at the forefront of the modern period of the early 1900s when literary works, primarily in the first two decades, explored interior lives and subjective reality in a new idiom, attempting to probe the human psyche in order to understand the human condition. This richly-allusive novel, revolutionary in its modernistic experimentalism, was hailed as a work of genius by W.B. Yeats, T.S. Eliot and Ernest Hemingway. Scandalously frank, wittily erudite, mercurially eloquent, resourcefully comic and generously humane, 'Ulysses' offers the reader a life-changing experience. Publisher : General Press

Aldo Leopold's *A Sand County Almanac* has enthralled generations of nature lovers and conservationists and is indeed revered by everyone seriously interested in protecting the natural world. Hailed for prose that is "full of beauty and vigor and bite" (*The New York Times*), it is perhaps the finest example of nature writing since Thoreau's *Walden*. Now this classic work is available in a completely redesigned and lavishly illustrated gift edition, featuring over one hundred beautiful full-color pictures by Michael Sewell, one of the country's leading nature photographers. Sewell, whose work has graced the pages of *Audubon* and *Sierra* magazines, walked Leopold's property in Wisconsin and shot these photographs specifically for this edition, allowing readers to see Sand County as Leopold saw it. The resulting layout is spectacular. But the heart of the book remains Leopold's carefully rendered observations of nature. Here we follow Leopold

throughout the year, from January to December, as he walks about the rural Wisconsin landscape, watching a woodcock dance skyward in golden afternoon light, or spying a rough-legged hawk dropping like a feathered bomb on its prey. And perhaps most important are Leopold's trenchant comments throughout the book on our abuse of the land and on what we must do to preserve this invaluable treasure. This edition also includes two of Leopold's most eloquent essays on conservation, "The Land Ethic" and "Marshland Elegy." With this gift edition of A Sand County Almanac, a new generation of readers can walk beside one of America's most respected naturalists as he conveys the beauty of a marsh before sunrise or the wealth of history to be found in an ancient oak.
