Artemis Fowl: Opal Deception, The

The second book in the blockbusting new series from the bestselling author of Artemis Fowl.

In the future, in a place called Satellite City, fourteen-year-old Cosmo Hill enters the world, unwanted by his parents. He's sent to the Clarissa Frayne Institute for Parentally Challenged Boys, Freight class. At Clarissa Frayne, the boys are put to work by the state, testing highly dangerous products. At the end of most days, they are covered with burns, bruises, and sores. Cosmo realizes that if he doesn't escape, he will die at this so-called orphanage. When the moment finally comes, Cosmo seizes his chance and breaks out with the help of the Supernaturalists, a motley crew of kids who all have the same special ability as Cosmo—they can see supernatural Parasites, creatures that feed on the life force of humans.

Is this Armageddon time for Artemis Fowl? Opal Koboi, power-crazed pixie, is plotting to exterminate mankind and become fairy queen. If she succeeds, the spirits of long-dead fairy warriors will rise from the earth, inhabit the nearest available bodies and wreak mass destruction. But what happens if those nearest bodies include crows, or deer, or badgers - or two curious little boys by the names of Myles and Beckett Fowl? Yes, it's true. Criminal mastermind Artemis Fowl's four-year-old brothers could be involved in destroying the human race. Can Artemis and Captain Holly Short of the Lower Elements Police stop Opal and prevent the end of the world? 'Fast-paced, tongue in check . . . laugh-out-loud.' Sunday Times Enter Artemis's wicked world at www.artemisfowl.co.uk When Artemis Fowl goes to Berlin to steal a painting, he is confronted by Opal Koboi, a fairy who might be good enough to outwit him.

Movie available from June 12th only on Disney+ Artemis Fowl and the Lost Colony is the fifth sensational book in the gripping Artemis Fowl series by Eoin Colfer. Has criminal mastermind Artemis Fowl met his match? Until recently Artemis Fowl was the only human to have discovered that fairies do exist. But now a second juvenile genius wants to capture one for scientific study - and not just any old fairy. The newcomer intends to trap a demon, the most human-hating species unknown to man. Only an ancient time spell separates the demons from mankind - and Artemis must prevent it from unravelling. If he fails, the bloodthirsty tribe will re-launch their quest to wipe humans from the planet . . . There can only be one winner in this battle of the demons. And it may not be Artemis Fowl. 'A superb series' - The Times 'Engagingly vivid, exciting and witty' - The Telegraph 'Fast, funny and very exciting' - Daily Mail ***Artemis Fowl was

winner of the WHSmith Children's Book of the Year Award and Children's Book of the Year at the Children's Book Awards. Shortlisted for the Whitbread Children's Book of the Year Award.***

Fletcher Moon has never been like other kids. For one thing, he has had to suffer the humiliating nickname "Half Moon" because of his short stature. But the real reason Fletcher is different is that ever since he was a baby, he's had a nose for sniffing out mysteries. And after graduating at the top of his Internet class, he is officially certified as the youngest detective in the world.

One week after their eleventh birthday, the Fowl twins--scientist Myles, and Beckett, the force of nature--are left in the care of house security (NANNI) for a single night. In that time they befriend a troll who has clawed his way through the earth's crust to the surface. Unfortunately for the troll, he is being chased by a nefarious nobleman and an interrogating nun, who both need the magical creature for their own gain, as well as a fairy-in-training who has been assigned to protect him. The boys and their new troll best friend escape and go on the run. Along the way they get shot at, kidnapped, buried, arrested, threatened, killed (temporarily), and discover that the strongest bond in the world is not the one forged by covalent electrons in adjacent atoms, but the one that exists between a pair of twins.

Conor Broekhart was born to fly. It is the 1890s, and Conor and his family live on the sovereign Saltee Islands, off the Irish coast. Conor spends his days studying the science of flight with his tutor and exploring the castle with the king's daughter, Princess Isabella. But the boy's idyllic life changes forever the day he discovers a deadly conspiracy against the king.

Artemis has committed his entire fortune to a project he believes will save the planet and its inhabitants, both human and fairy. Can it be true? Has goodness taken hold of the world's greatest teenage criminal mastermind? Captain Holly Short is unconvinced, and discovers that Artemis is suffering from Atlantis Complex, a psychosis common among guilt-ridden fairies - not humans - and most likely triggered by Artemis's dabbling with fairy magic. Symptoms include obsessive-compulsive behavior, paranoia, multiple personality disorder and, in extreme cases, embarrassing professions of love to a certain feisty LEPrecon fairy

Details the third thrilling adventure of resourceful young criminal mastermind, Artemis Fowl, who has found a way to construct a supercomputer from stolen fairy technology.
