Lonely Planet: The world's leading travel guide publisher Discover 200 of the best places to ride a bike in this beautifully illustrated hardback. From family-friendly, sightseeing urban rides to epic adventures off the beaten track. Destinations range from France and Italy, for the world's great bike races, to the wilds of Mongolia and Patagonia. These journeys will inspire - whether you are an experienced cyclist or just getting started. The book is organised by continent. In the Americas we join a family bikepacking trip in Ecuador; we pedal the Natchez Trace Parkway and stop at legendary music spots; we ride the Pacific Coast Highway in Oregon and California; go mountain biking in Moab and Canada; and explore the cities of Buenos Aires and New York by bicycle. European rides include easy-going trips around Lake Constance, along the Danube and the Loire, and coast-to-coast routes; routes in Tuscany, Spain and Corsica; and professional journeys up Mt Ventoux and around the Tour of Flanders. In Asia, we venture through Vietnam's valleys; complete the Mae Hong Son circuit in northern Thailand; cross the Indian Himalayas; and pedal through Bhutan. And in Australia and New Zealand we take in Tasmania and Queensland by mountain bike; cycle into Victoria's high country and around Adelaide on road bikes; and try some of New Zealand's celebrated cycle trails. Each ride is illustrated with stunning photography and a map. A toolkit of practical details - where to start and finish, how to get there, where to stay and more - helps riders plan their own trips. There are also suggestions for three more similar rides around the world for each story. Each piece shows how cycling is a fantastic way to get to know a place, a people and their culture. Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.
