The Tragedy of Darth Plagueis the Wise: Once, not so long ago, there was a great Sith Lord called Darth Plagueis. So powerful and wise was Darth Plagueis that he could manipulate the dark side of the Force to save others from dying. Eventually Darth Plagueis became so powerful that the only thing he feared was losing his power. Then, as is the way of the Sith, he was murdered by his apprentice, Darth Sidious. So went the tale told by Chancellor Palpatine--Darth Sidious himself--to Anakin Skywalker, and since that moment in *Star Wars: Revenge of the Sith*, fans have clamored to know the true story of Darth Plagueis and Darth Sidious. This stand-alone novel is a dark and moving tale of two Sith and their quest for ultimate power over life and death....

When fourteen-year-old Padmé Naberrie wins the election for Queen of Naboo, she adopts the name Amidala and leaves her family to the rule from the royal palace. To keep her safe and secure, she'll need a group of skilled handmaidens who can be her assistants, confidantes, defenders, and decoys. Each girl is selected for her particular talents, but it will be up to Padmé to unite them as a group. When Naboo is invaded by forces of the Trade Federation, Queen Amidala and her handmaidens will face the greatest test--of themselves, and of each other.

Darth Plagueis The Wise has become one of the most infamous and interesting characters in *Star Wars* despite never appearing on screen. He was directly responsible for just about everything that happened over the course of the *Star Wars* movies, and unbeknownst to many, was even alive for most of Episode I. Darth Plagueis was a bit of a recluse, especially in his later years, so not much is known about him beyond the secondhand accounts of his former apprentice Palpatine. This book will dispel much of the mystery surrounding the famous Sith Lord by exploring his history, his relationship with the Emperor, and how the ripple effects of his actions are still being felt in the *Star Wars* universe today.

In this essential *Star Wars Legends* novel, the second in the Darth Bane trilogy, the fearsome Sith lord takes on a deadly new apprentice. Darth Bane's twisted genius made him a natural leader among the Sith--until his radical embrace of an all-but-forgotten wisdom drove him to destroy his own order . . . and create it anew from the ashes. As the last surviving Sith, Darth Bane promulgated a harsh new directive: the Rule of Two. Two there should be; no more, no less. One to embody the power, the other to crave it. Now Darth Bane is ready to put his policy into action and thinks he has found the key element that will make his triumph complete: a student to train in the ways of the dark side. Though she is young, Zannah possesses an instinctive link to the dark side that rivals his own. With his guidance, she will become essential in his quest to destroy the Jedi and dominate the galaxy.

In this essential *Star Wars Legends* novel, Mace Windu must journey to his long-forgotten homeworld to confront a terrifying mystery with dire personal consequences. The jungle planet of Haruun Kal, homeworld of the legendary Jedi Master Mace Windu, has become a battleground in the increasing hostilities between the Republic and the renegade Separatist movement. The Jedi Council has sent Depa Billaba--Mace's former Padawan and fellow Council member--to Haruun Kal to train the local tribesmen as a guerrilla resistance force. But now the Separatists have pulled back, and Depa has not returned. The only clue to her disappearance is a cryptic recording left at the scene of a

brutal massacre: a recording that hints of madness and murder, and the darkness in the jungle . . . a recording in Depa's own voice. Mace Windu trained Depa. Only he can find her. Only he can learn what has changed her. Only he can stop her. He will leave behind the Republic he serves, the civilization he believes in, everything but his passion for peace and his devotion to his former Padawan. And he will learn the terrible price that must be paid when keepers of the peace are forced to make war. . . .

For the first time in one thrilling volume, three novels—Labyrinth of Evil, Revenge of the Sith, and Dark Lord: The Rise of Darth Vader—that follow an epic chain of events: the last days of the Republic, the creation of the Empire, and the ultimate transformation of Jedi Anakin Skywalker into the notorious Darth Vader. On the planet Neimoidia, Jedi Knights Obi-Wan Kenobi and Anakin Skywalker seize an unexpected prize: intelligence capable of leading the Republic forces to the ever-elusive Darth Sidious, who is ruthlessly orchestrating a campaign to divide and overwhelm the Jedi forces. As combat escalates across the galaxy, and Darth Sidious remains one step ahead of his pursuers, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a galaxy-shaping decision, while Darth Sidious plots to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. Once the most powerful Knight ever known to the Jedi Order, Anakin becomes Darth Vader, a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. As a few surviving Jedi lead a charge on a Separatist stronghold, the deadliest threat still rests in the swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi hunted across space, survival is imperative if the light side of the Force is to be protected and the galaxy reclaimed. This is the highest and best distillation of Tarkin stories, old and new, we've ever been given.”—Big Shiny Robot “A spectacular novel, with the intrigue, action, and profound characterization we have come to expect from the pen of Luceno . . . Two years have passed since Jacen Solo, seduced by the dark side and reanointed as the brutal Sith Lord Darth Caedus, died at the hands of his twin sister, Jaina, Sword of the Jedi. For a grieving Han and Leia, the shadow of their son’s tragic downfall still looms large. But Jacen’s own bright and loving daughter, Allana, offers a ray of hope for the future as she thrives in her grandparents’ care. And when the eager, inquisitive girl, in whom the Force grows ever stronger, makes a curious discovery aboard her grandfather’s beloved spacecraft—the much-overhauled but ever-dependable Millennium Falcon—the Solo family finds itself at a new turning point, about to set out on an odyssey into uncertain territory, untold adventure, and unexpected rewards. To Han, who knows every bolt, weld, and sensor of the Falcon as if they were parts of himself, the strange device Allana shows him is utterly alien. But its confounding presence—and Allana’s infectious desire to unravel its mystery—are impossible to dismiss. The only answer lies in backtracking into the past on a fact-finding expedition to retrace the people, places, and events in the checkered history of the vessel that’s done everything from making the Kessel Run “in less than twelve parsecs” to helping topple an evil empire. From the moment the Falcon broke loose from a Corellian assembly line like an untamed creature with a will of its own, it seemed destined to seek out trouble. It wasn’t long before the feisty YT-1300 freighter went from shuttling cargo to smuggling contraband. But it’s a fateful rendezvous on Coruscant, at the explosive height of the Republic/Separatist uprising, that launches a galaxywide cat-and-mouse game whose newest players are Han, Leia, Allana, and C-3PO. And they’re not alone: Crime lords, galactic pirates, rogue politicians, and fortune hunters alike loom at every turn of the quest—each with his or her own desperate stake in the Millennium Falcon’s most momentous

mission. Through the years and across the stars, from the Rim worlds to unknown points beyond, the race will lead them all to a final standoff for a prize some will risk everything to find—and pay any cost to possess. Darth Vader. Reprint.

Darth Vader, the evil emperor's powerful enforcer, sets out to eliminate all resistance to the Empire, a mission that reveals his true strength and role as the Emperor's iron fist.

In his quest for total domination, Darth Sidious compiled six legendary dark side texts detailing Sith history and philosophy by Sorzus Syn, Darth Malgus, Darth Bane, Mother Talzin, Darth Plagueis, and himself. Together these documents form the Book of Sith. Over the centuries, the texts were passed among Force users who left handwritten notes and annotations in the margins, including Darth Vader, Yoda, Mace Windu, and Luke Skywalker, among others. Collected by acclaimed Star Wars writer Daniel Wallace and embellished by numerous esteemed Star Wars illustrators, this volume introduces new characters and history, and delves deeper into understanding the philosophies and methods behind the dark side of the Force.
