There are many forms of witchcraft. In some cases, it involves conjuring up demons from hell and dispatching them to churches or individuals to cause envy, strife, and confusion. Spirits of delusion (which will cause a false belief or opinion, meant to mislead; deceive or trick) are a strong tool used in witchcraft. I've found in my fifteen years of ministry, that a spirit of delusion can destroy a marriage. For example, it will cause suspicion and false accusations to be made by one spouse against the other. In the church, divisions between Pastors and members can result when this spirit is loosed to attack the pastor. Many pastors have been hurt, deceived, misused and had their churches split as a result. God gave me the assignment to write this book to enlighten the Church on the operation of witchcraft, so the body of Christ would not have to suffer these attacks any longer. We have the power through Christ Jesus to destroy these works and to stop them. If one can put a thousand to flight, and two can put ten thousand to flight, just think what the whole body of Christ can do. Bringing much needed light to the topic of spiritual warfare, this comprehensive

In the hundreds of confessions relating to witchcraft and sorcery trials from early modern Britain we frequently find detailed descriptions of intimate working relationships between popular magical practitioners and familiar spirits of either human or animal form. personal sexual energy to give this creature its power • Examines the familiar in alchemical, Hermetic, and Egyptian magical literature, including instructions for procuring a supernatural assistant Exploring the history and creation of a “witch’s familiar,” also known as a spirit double or guardian spirit, Maja D’Aoust shows how there is much more to these supernatural servant spirits and guardians than meets the eye. She reveals how witches are not the only ones to lay claim to this magician’s “assistant” and examines how the many forms of witch’s familiars are well known in folklore throughout Europe and America as well as in shamanic and magical traditions around the world, including Africa, India, and China. The author explains how familiars are connected with shapeshifting and how the classic familiars of medieval witchcraft tradition are related to the power animals and allies of shamanic practices worldwide, including animal guardian spirits of Native American traditions and the daimons of the ancient Greeks and Romans. She examines the fetch spirit, also known as the fylgia in Scandinavian tradition, and how the witch or sorcerer draws on their personal sexual energy to give this creature its power to magnetize and attract what it was sent to retrieve. She looks at incubus, succubus, doubles, doppelgangers, and soul mates, showing how familiars can also adopt human forms and sometimes form romantic or erotic attachments with the witch or shaman. Reviewing alchemical, Hermetic, and Egyptian magical literature, including the nearly forgotten alchemical works of Anna Kingsford, D’Aoust explores their instructions for procuring the attention of a

supernatural assistant as well as an extensive description of the alchemical wedding and how this ritual joins the magician and familiar spirit into a single unified consciousness. Exploring fairy familiars, she reveals how a practitioner can establish a “marriage” with a totemic plant or tree spirit, who, in return, would offer teachings about its medicinal and visionary powers. Delving deeply into the intimate relations of humanity with the spirit world, D’Aoust shows how forming connections with living forces other than human enables us to move beyond the ego, expand our magical abilities, as well as evolve our conscious awareness.

Familiar spirits are notorious and dangerous spirits that operate from the fall of adam to date. They manifest from one generation to another. They also operate from the family bloodline. They are called familiar spirits because of familiarity with men, they eat, drink, sleep, work, and monitor your day and night. They are satanic spies, informants, and broadcasters. angels, demons, and the move of God's Spirit.

Many Christians have chosen to turn a deaf ear and blind eye to the subject of spiritual warfare, deliverance, and demons. It is important to equip yourself with the proper ammunition in order to stand against Satan and those who follow him. We must realize that Satan doesn't just hide behind every bush and under every rock. Sometimes he finds a resting place within our churches. He may sing a pretty lullaby to the church and prevent Christians from hearing the true Word of God. Demons have been at this game for a long time and unfortunately they know more scripture than most Christians. We must put on the full armor of God and realize this is war - not against flesh and blood, but against the rulers of darkness in high places (Eph. 6:12). Jesus Christ is where our power comes from. He did not leave us powerless to overcome, but has endowed us with power to stand against Satan in such a time as this. If you were heading out to battle would you go unprepared - without weapons, without armor, without a leader, without an army? Within the pages of this book you will find the help needed to overcome these obstacles in your life. You will learn, among other things, how to break away from generational curses and most importantly, how to live a victorious life in Jesus Christ our Lord and to prepare yourself.
