A Christianity Today 1999 Book of the Year! Every reader of the Bible has encountered the powerful, comforting and sometimes puzzling imagery of Scripture. These concrete pictures with their hidden force have struck sharp and lasting impressions on our minds. Their imprint has etched itself on the language and grammar of Christian faith and Western culture. Why then do traditional Bible dictionaries and reference works offer so little help to explorers of the Bible's galaxy of verbal pictures? They excel in describing the climate, borders and location of Galilee or Sinai. But they are often blind to the artistic expressions and deaf to the musical meanings that echo from within the world of the biblical text. The Dictionary of Biblical Imagery is the first contemporary reference work dedicated to exploring the images, symbols, motifs, metaphors and literary patterns found in the Bible. More than that, it examines the Bible's universal archetypes or master images--including the plot motifs and character types that recur throughout life, literature and the Bible. This unique dictionary explores the dazzling variety in which the Word of God comes dressed in clothes of everyday life. It traces the trail of images from Eden to the New Jerusalem. It captures the plotted patterns of biblical narrative. It surveys the imaged texture of each book of the Bible. In short, The Dictionary of Biblical Imagery is an inviting, enlightening and indispensable companion to the reading, study, contemplation and enjoyment of the Bible.

The foundation of our knowledge of God rests upon knowing what he is like. Without understanding God's attributes, we have a skewed perception of him—often one cast in our own image. We need more than just a theoretical knowledge of God in order to worship him as he desires. This classic work of A.W. Pink invites readers to discover the truth about seventeen attributes of God, including his sovereignty, immutability, patience, love, faithfulness, and much more. Pink shows readers a God who is alive, all-powerful, and active in his creation. “For the great God who called me has given me, also, a glimpse of His glory.” – Kathryn Kuhlman

Kathryn Kuhlman introduced the Holy Spirit to a generation who knew Him not. Thousands were born again and healed by the power of God during her miracle services. While most people knew Kathryn Kuhlman only as a woman of miracles, her most lasting contribution to the kingdom is her teaching. Her daily radio broadcasts were gems of truth and wit. This book captures Kathryn's spoken wisdom while also telling the stories of the miracle healings she witnessed. Hundreds of thousands bought her only authorized biography, *Daughter of Destiny*, to know her better. Then before she died in 1976 she told her biographer, Jamie Buckingham, “Tell it all.” He realized that what she taught was even more important than what she did. That realization birthed *A Glimpse Into Glory*. The short chapters that compose *A Glimpse Into Glory*—carefully transcribed and edited from Kathryn's radio teachings—represent some of the best messages she preached around the nation. Several are unpublished statements she gave to various magazines and newspapers, taken verbatim from interview tapes. What she had to say

gives us not only insight into a woman God used as a prophetic leader, but also provides something far more important: glimpses into His glory.

Esta es la primera obra del famoso escritor inglés John Bunyan, autor de *El Peregrino* y editada por primera vez en 1666. Pero es algo más, prácticamente su autobiografía espiritual, donde narra las distintas etapas de su peregrinaje, partiendo de su rechazo inicial de la Verdad, su rebelión contra Dios y sus sentimientos de culpa, superados por la luz recibida de la Biblia y, posteriormente, la llamada al servicio cristiano. Se trata, pues, de un relato inigualable de lucha, persecución y fe inmensurable, de un hombre cuyos escritos han causado un gran impacto en el mundo y han transformado la vida de hombres y mujeres de todas partes hasta el día de hoy.

Why do 9 out of 10 children raised in Christian homes leave the Church? Why do many professing Christians show little or no evidence for their faith? Why do 80-90% of those making decisions for Christ fall away from the faith? For decades, the world's most popular gospel message has been drawing the lost by promising God's wonderful plan for their life. But behind the facade of the wonderful plan message is the reality of the trials, temptation, and persecution that Jesus promised. How can we reconcile the two? In this life-changing book, best-selling author Ray Comfort explores whether this common gospel approach aligns with real life and with Scripture. The vital biblical principles he reveals will force you to reexamine your ideas about the gospel and will teach you how to reach unbelievers the way God

"Over a quarter million copies in print!"

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky. "Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams."

Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

the most significant changes initiated by the Second Vatican Council was the direct encouragement for Catholics to rediscover the Bible. Unfortunately, education has lagged behind Catholic interest in exploring the Bible and its mysteries. Consequently, vital questions, including how to read and interpret the Bible, remain unanswered for many Christians. In *Biblical Fundamentalism*, Father Ronald Witherup offers Catholics a guide to the questions that arise when they desire to use the "good book" in their personal lives. Father Witherup provides an overview of the origins, history, basic tenets, and problems with biblical fundamentalism and its influence in contemporary culture. He summarizes Catholic teaching on the Bible and points out both the strengths and the weaknesses in the fundamentalist approach to the Bible. He also provides a concise but thorough response to questions that Catholics have about fundamentalism and discusses resources for further study. *Biblical Fundamentalism* is divided into five chapters. The first chapter explains the historical origins of Christian biblical fundamentalism and why it is a uniquely American phenomenon. The second chapter outlines the main tenets of fundamentalist faith and how it approached the Bible. The third chapter does the same for the Catholic faith. The fourth chapter explores why biblical fundamentalism is attractive in our day and offers a critique of it. Finally, the fifth chapter imparts some practical advice about how to fashion a sensible (and courteous) Catholic response to fundamentalism. Chapters are *The Origins of Biblical Fundamentalism, - *Bible Basics: A Fundamentalist

"na Biblia mas? Como decaaluis Alonso Schakel en la primera edician de la Biblia del Peregrino, hay que alegrarse de que esta nueva edician no viene allendar un vacao. Gracias al trabajo constante que se viene realizando tanto en el mundo catalico Como en las demas confesiones cristianas, la Palabra escrita de Dios esta continuamente siendo actualizada, tanto en traducciones cada vez mas fidedignas al hebreo y griego originales Como en la elaboracion de comentarios que conecten el texto con las necesidades y aspiraciones concretas del hombre y de la mujer de hoy, sean creyentes o no creyentes. Con el mismo deseo de seguir en ese camino de mejora continua de la traduccian y de acercarnos ala situacion concreta de los destinatarios, presentamos al lector latinoamericano esta nueva edician de la Biblia del Peregrino, ahora titulada: La Biblia de Nuestro Pueblo "Biblia del Peregrino Amaricalatina. acomodado al Español latinoamericano, adoptando sus giros y modismos más peculiares, se ha prestado una particular atención al texto mismo, teniendo en cuenta los últimos avances en los estudios bíblicos exegéticos, afinando la traducción a donde se ha visto necesario. Esta labor ha sido llevada a cabo por un equipo internacional de estudiosos de la Biblia. La Biblia de Nuestro Pueblo contiene, además, otro elemento de novedad: son los comentarios que se añaden al texto. A diferencia de otros comentarios, dirigidos a un público especializado o que se detienen solamente en pasajes importantes del texto bíblico, nuestros comentarios se han hecho pensando en la mayoría de los creyentes y con la intención concreta de acercar a la comprensión del lector el sentido de cada libro en su totalidad, el contexto en que fueron escritos, el hilo narrativo y el mensaje que el autor quiere transmitir. Los comentarios son largos o cortos según lo requiera la dificultad de comprensión de la Palabra de Dios, que aunque viva y actual, fue escrita hace dos mil años. Con todo, citando las mismas palabras de Alonso Schakel, el momento mejor del comentario es cuando el lector lo deja en la parte inferior de la página para entenderse a solas con el texto. Es la hora de la verdad y de la vida. Características de La Biblia de Nuestro Pueblo Traducción altamente apreciada de Luis Alonso Schakel Profesionalmente adaptada para lectores en América Latina Tipo de letra grande, bien legible Con más de 600 páginas en introducciones y comentarios para mejor entender: El texto El contexto aplican a la vida desde nuestra realidad latinoamericana Comentarios a cada párrafo de

As Luis AlonsoSchokel said in the first of edition of the Biblia del Peregrino, we should be happy that this new edition is not filling up a gap. Thanks to the constant work that has been realized in the Catholic world as well as other Christian denominations, the written Word of God is continually being actualized, in the faithful translations of the original Hebrew and Greek as well as in the commentaries that connect the text to the needs and concrete hopes of the people of today, be they believers or non-believers. With the same wish to continue in this path of making a continual translation that is better and to approach the concrete situations of the intended readers, we present this new Latin-American edition of La Biblia del Peregrino now titled: La Biblia de Nuestro Pueblo "Biblia del Peregrino Amaricalatina. And we have taken an additional step. At the same that the translation from the original texts are made, the Latin-American Spanish has been used, adopting its manners and peculiar expressions, attention has been paid to the text itself, keeping in mind the latest advances in biblical studies exegesis, fine-tuning the translation where it seemed necessary. This work has been accomplished

with an international group of Bible scholars. La Biblia de Nuestro Pueblo also contains another new element: the commentaries added along with the text. Compared to other commentaries directed to a specialized public or that examines only important passages of the biblical text, our commentaries have been made keeping in mind the majority of believers and the concrete desire to allow the reader to grasp the sense of each book in its totality, the context in which they were written, the narrative thread and the message that the author intended to convey. The commentaries are short or long depending on the difficulty of comprehension of the Word of God, which although is alive and actual, was written two thousand years ago. In all, citing the words of Alonso Schokel, the best moment of the commentary is when the reader abandons it in the inferior part of the page to engage alone the actual text. It is the time of truth and life.
