

Honda Cb1300

Best known as the third presenter in the unholy trinity that is Clarkson, Hammond and May on Top Gear, James May has lived, breathed and dreamt about cars his entire life. There is something about cars that stirs up intense feelings in people - how it makes them look to the outside world, how it makes them feel about themselves, how it looks to their girlfriends or their mates, or their neighbours. These feelings are humorously described in May on Motors, as James takes us on the road and looks at the cars that have shaped him, his world and the ordinary people of Britain. In May on Motors, James has brought together his most controversial and amusing pieces to make a brilliant collection that will amuse and inspire all car enthusiasts.

Cours d'initiation aux standards du Web, avec exercices corrigés HTML5 et CSS3 sont aujourd'hui pris en compte par tous les navigateurs du marché et suscitent un tel niveau d'adhésion que tout professionnel ou futur professionnel se doit de maîtriser ces nouvelles versions des standards du Web sans attendre leur publication définitive par le W3C. Premier ouvrage en langue française spécifiquement conçu pour les étudiants, ce manuel met l'accent sur les bonnes pratiques de développement (séparation stricte entre structure et présentation), en préconisant l'emploi d'une syntaxe rigoureuse héritée de XHTML. Il consacre une large place aux nouveautés de HTML5 et CSS3 : nouveaux éléments de structure sémantique, nouveaux éléments audio et vidéo, Media Queries pour l'adaptation des pages Web au terminal de l'utilisateur (écran d'ordinateur, tablette, smartphone), stockage local, nouveaux sélecteurs CSS, nouveaux types de contours et d'ombrage, arrière-plans multiples et dégradés de couleur, multicolonnage et effets de texte, etc. Pour vous aider à valider et mettre en oeuvre vos connaissances, vous trouverez en fin de chaque chapitre une série d'exercices dont les corrigés et le code source sont disponibles sur les sites www.editions-eyrolles.com et www.funhtml.com. A qui s'adresse ce livre ? Aux étudiants en cursus d'informatique ou de design Web. A tous les concepteurs de sites Web souhaitant s'autoformer à HTML5 et CSS3. Aux enseignants et formateurs à la recherche d'une méthode pédagogique pour enseigner les standards du Web.

The Sidecar Guide contains everything for the sidecar rider, new or experienced, with sections on riding skills, sidecar setup, issues and solutions for handling problems, sidecar selection, accessories, care and maintenance, and much more. The first new sidecar book of its type to be published in many years, it draws on my many years of experience operating 3WB Sidecars as well as the invaluable contributions made by specialists in the fields of disabled sidecar use and taking your dog in the sidecar. The "go to" reference for people new to sidecars and existing sidecar owners. Both books are written for left and right handed sidecars. Set your pulse racing with this stunning visual guide to over 1000 pin-up machines - iconic symbols of wanderlust, speed, and the open road. From Gottlieb Daimler's gas-powered "engine on a bicycle" which set fire to the seat on its first outing, to superbikes such as the Ducati 916, Motorcycle: The Definitive Visual History takes you on an enthralling tour of the bike's history. It shows you bikes that appeal to the head - practical forms of transport - and to the heart - a parade of classic pin-ups including cult machines such as the Honda RC30, the Triumph Bonneville, and the Harley-Davidson XR750. Motorcycle: The Definitive Visual History

AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than “just a book.” It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new, exciting, in-demand products, as well as highlighting trusted favorites. The well-organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties/Parts Unlimited Tire catalog. It has tires, tire accessories and tire/wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties/ Parts Unlimited Helmet/Apparel catalog. Combine all three catalogs for the most complete powersports resource of 2014.
