A cold case turns red-hot when a death-row inmate renews his acquaintance with Dr. Kay Scarpetta in this “utterly chilling” (Entertainment Weekly) #1 New York Times bestseller. Settling into her new life as a private forensic consultant, Kay Scarpetta agrees to investigate a cold case in Louisiana—the baffling eight-year-old murder of a woman with a history of blackouts and violent outbursts. Then she receives news that chills her to the core: Jean-Baptiste Chandonne—the vicious and unrepentant Wolfman who pursued her to her very doorstep—has asked to see her. From his cell on death row, he demands an audience with the legendary Dr. Scarpetta. With her friends and family by her side, Scarpetta tries to guess what sort of endgame this madman has in mind—how, if at all, it’s related to the Louisiana case—and then confronts the shock of her life: a blow that will force her to question the loyalty and trust of all she holds dear...

In this provocative thriller, forensic expert Kay Scarpetta is surrounded by familiar faces, yet traveling down the unfamiliar road of fame.... It is the week before Christmas. A tanking economy has prompted Dr. Kay Scarpetta—despite her busy schedule and her continuing work as the senior forensic analyst for CNN—to offer her services pro bono to New York City’s Office of the Chief Medical

Examiner. In no time at all, her increased visibility seems to precipitate a string of unexpected and unsettling events, culminating in an ominous package—possibly a bomb—showing up at the front desk of the apartment building where she and her husband, Benton, live. Soon the apparent threat on Scarpetta’s life finds her embroiled in a surreal plot that includes a famous actor accused of an unthinkable sex crime and the disappearance of a beautiful millionaire with whom her niece, Lucy, seems to have shared a secret past. Scarpetta’s CNN producer wants her to launch a TV show called *The Scarpetta Factor*. Given the bizarre events already in play, she fears that her growing fame will generate the illusion that she has a “special factor,” a mythical ability to solve all her cases. She wonders if she will end up like other TV personalities: her own stereotype.

Dr. Kay Scarpetta is starting over with a unique private forensic pathology practice in Charleston, South Carolina. But in this thrilling #1 New York Times bestseller, her fresh start ushers in a string of murders more baffling—and terrifying—than any that have come before... *The Book of the Dead* is the morgue log, the ledger in which all cases are entered by hand. For Kay Scarpetta, however, it is about to acquire a new meaning. A sixteen-year-old tennis star, fresh from a tournament win in Charleston, is found nude and mutilated near Piazza Navona in Rome. The body of an abused young boy is dumped in a desolate marsh. A woman is ritualistically murdered in her multimillion-dollar beach home. Meanwhile, in New England, problems with a prominent patient at a Harvard-affiliated psychiatric hospital begin to hint at interconnections among the deaths that are as hard to imagine as they are horrible. Scarpetta has dealt with many brutal and unusual crimes before, but never has she seen a string of death like what she's facing now. Before

Lucy. But how can it be? It's clearly a surveillance film of Lucy taken almost twenty years ago. As Scarpetta watches she begins to learn frightening secrets about her niece, whom she has loved and raised like a daughter. That film clip and then others sent soon after raise dangerous legal implications that increasingly isolate Scarpetta and leave her confused, worried, and not knowing where to turn. She doesn't know whom she can tell—not her FBI husband Benton Wesley or her investigative partner Pete Marino. Not even Lucy. In this new novel, Cornwell launches these unforgettable characters on an intensely psychological odyssey that includes the mysterious death of a Hollywood mogul's daughter, aircraft wreckage on the bottom of the sea in the Bermuda Triangle, a grisly gift left in the back of a crime scene truck, and videos from the past that threaten to destroy Scarpetta's entire world and everyone she loves. The diabolical presence behind what unfolds seems obvious—but strangely, not to the FBI. Certainly that's the message they send when they raid Lucy's estate and begin building a case that could send her to prison for the rest of her life. In the latest novel in her bestselling series featuring chief medical examiner Dr. Kay Scarpetta, Cornwell will captivate readers with the shocking twists, high-wire tension, and cutting-edge forensic detail that she is famous for, proving yet again why she's the world's #1 bestselling crime writer.

"When it comes to the forensic sciences, nobody can touch Cornwell," says The New York Times Book Review. She finds shelter with an old friend, Anna Zenner, but it is not the haven of security she needs when she discovers that Anna has been sub-poenaed to appear before a Grand Jury which is investigating Scarpetta for murder. Kay knows she is being framed and she also knows she can trust no-one. Meanwhile it appears that Chandonne killed a woman in New York before his murderous spree in Virginia, but when Scarpetta looks more closely into that case with the NY prosecutor Jaime Berger, proof of his guilt is far from certain - in fact she begins to believe that he may not be the perpetrator of any of the crimes he is accused of. As she follows the forensic trail to the real killer she gradually realises that someone has been spinning a web for years with the aim of entrapping her. #1 New York Times bestselling author Patricia Cornwell returns with the remarkable twenty-fourth thriller in her popular high-stakes series starring medical examiner Dr. Kay Scarpetta. In the quiet of twilight, on an early autumn day, twenty-six-year-old Elisa Vandersteel is killed while riding her bicycle along the Charles River. It appears she was struck by lightning—except the weather is perfectly clear with not a cloud in sight. Dr. Kay Scarpetta, the Cambridge Forensic Center's director and chief, decides at the scene that this is no accidental Act of God. Her investigation becomes complicated when she begins receiving a flurry of bizarre poems from an anonymous cyberbully who calls himself Tailend Charlie. Though subsequent lab results support Scarpetta's conclusions, the threatening messages don't stop. When the tenth poem arrives exactly twenty-four hours after Elisa's death, Scarpetta begins to suspect the harasser is involved, and sounds the alarm to her investigative partner Pete Marino and her husband, FBI analyst Benton Wesley. She also enlists the help of her niece, Lucy. But to Scarpetta's surprise, tracking the slippery Tailend Charlie is nearly impossible, even for someone as brilliant as her niece. Also, Lucy can't explain how this anonymous nemesis could have access to private information. To make matters worse, a venomous media is whipping the public into a frenzy, questioning the seasoned forensics chief's judgment and "a quack cause of death on a par with spontaneous combustion."
