It is the autumn of 1880, and Dr John Watson has just returned from Afghanistan. Badly injured and desperate to forget a nightmarish expedition that left him doubting his sanity, Watson is close to destitution when he meets the extraordinary Sherlock Holmes, who is investigating a series of deaths in the Shadwell district of London. Several bodies have been found, the victims appearing to have starved to death over the course of several weeks, and yet they were reported alive and well mere days before. Moreover, there are disturbing reports of creeping shadows that inspire dread in any who stray too close. Holmes deduces a connection between the deaths and a sinister drug lord who is seeking to expand his criminal empire. Yet both he and Watson are soon forced to accept that there are forces at work far more powerful than they could ever have imagined. Forces that can be summoned, if one is brave – or mad – enough to dare... Even today, Mr. Doyle's stories create such a sensation all over the world that he now ranks among the best English novelists. This novel marks the first appearance ever of Sherlock Holmes and Dr. Watson and shows the marvellous imagination which enables him to invent a seemingly insoluble mystery and then to clearly unravel it. This edition is illustrated with more than twenty drawings.

The road to redemption has never been so fierce. Atticus Riot wants to leave his tortured past behind, but his

partner's murder haunts his every step. Before he can find peace, the gunfighter turned detective needs to find the killer. But then a missing heiress draws him into a conspiracy of lies. A young woman's life is at stake, so why won't her rich, older husband tell the whole truth about her disappearance? The clock is ticking and Riot must unravel a twisted trail before an innocent life is lost. But deceit runs deeper than he imagined, and he's soon thrown into the path of a fiercely independent woman who's his match in every way. A suspenseful Victorian mystery with a strong female lead and a romantic detective duo in San Francisco's lawless Barbary Coast. Fans of Laurie R. King, Deanna Raybourn, and C.S. Harris will love this thrilling historical mystery series.

A Study in Scarlet is an 1887 detective novel by Scottish author Arthur Conan Doyle. Written in 1886, the story marks the first appearance of Sherlock Holmes and Dr. Watson, who would become the most famous detective duo in popular fiction. The book's title derives from a speech given by Holmes, a consulting detective, to his friend and chronicler Watson on the nature of his work, in which he describes the story's murder investigation as his "study in scarlet" "There's the scarlet thread of murder running through the colourless skein of life, and our duty is to unravel it, and isolate it, and expose every inch of it."

Sherlock Holmes the gaunt, ascetic, ruthlessly logical pursuer of crime and mystery created by Sir Arthur Conan Doyle needs no introduction. The adventures of this sharp, witty and moody detective alongwith his loveable pedantic and faithful friend Dr. Watson are a

perennial source of inspiration to lovers of crime fiction. The book brings to you the criminal investigation of mysteries by master detective Sherlock Holmes. The work-shy Dr Grimsdyke is still at St Swithan's. Nurses are hitching up their skirts in the name of fashion and the dean is almost certain he is to be knighted. And then a Rolls Royce pulls up with Sir Lancelot Spratt in it. Bored with retirement he has returned to invoke a clause in St Swithan's original charter and resume work. A young girl fearing for her life comes to ask Sherlock Holmes for his help. After having announced her engagement to her stepfather, his behaviour has become even stranger than usual. She is set to inherit her mother's fortune but fears that he wants to kill her to prevent it. As a matter of fact, that is exactly what happened to her older sister. The latter died under mysterious circumstances the day before her wedding, in the middle of the night. Her last words were: "the speckled band". And now her stepfather insists on her sleeping in the very same room in which her sister died. Sherlock Holmes immediately takes the case. "The Adventure of the Speckled Band" is part of "The Adventures of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. The product of a one-time assignation between the now dead Sherlock Holmes and Irene Adler, the only woman to ever outwit the famous detective, Joanna has unwittingly inherited her parents' deductive genius.

In 19th century Bombay, Captain Jim Agnihotri channels his idol, Sherlock Holmes, in Nev March's Minotaur Books/Mystery Writers of America First Crime Novel Award-winning debut. In 1892, Bombay is the center of British India. Nearby, Captain Jim Agnihotri lies in Poona military hospital recovering from a skirmish on the wild northern frontier, with little to do but re-read the tales of his idol, Sherlock Holmes, and browse the daily papers. The case that catches Captain Jim's attention is being called the crime of the century: Two women fell from the busy university's clock tower in broad daylight. Moved by Adi, the widower of one of the victims — his certainty that his wife and sister did not commit suicide — Captain Jim approaches the Parsee family and is hired to investigate what happened that terrible afternoon. But in a land of divided loyalties, asking questions is dangerous. Captain Jim's investigation disturbs the shadows that seem to follow the Framji family and triggers an ominous chain of events. And when lively Lady Diana Framji joins the hunt for her sisters' attackers, Captain Jim's heart isn't safe,

This collection of science fiction writings by Jayant V. Narlikar offers readers a unique glimpse into the world-famous Indian astrophysicist's vivid and highly imaginative concepts and stories. The fictional material comprises a witty short story ("The rare idol of Ganesha") that cleverly explores the possible consequences of a mirror-symmetric individual in the context of cricket test match performances, as well as the fast-paced, gripping science fiction thriller "The return of Vaman": when an alien container is unearthed by a crew of scientists, the enormous potential technological applications of its contents bring various criminal elements on the scene – but when the real danger becomes apparent it is almost too late to save humanity. Last but not least, the book provides readers with extensive insights into the genesis and scientific background of the fictional material presented in this volume, along with an autobiographical account of the author's life-long interest in science fiction and his contributions to the genre. About the author: Jayant V. Narlikar is internationally known for his work in cosmology, in particular for championing models alternative to the

standard big-bang theory. He was president of the cosmology commission of the International Astronomical Union from 1994 to 1997. He has received several national and international awards and honorary doctorates - he is a Bhatnagar awardee, as well as recipient of the M.P. Birla award, the Prix Janssen of the French Astronomical Society and an Associate of the Royal Astronomical Society of London. He is Fellow of the three Indian national science academies as well as of the Third World Academy of Sciences. Well beyond his scientific research, Prof. Narlikar is widely known as a science communicator through his books, articles and radio/TV programs and he was honored by the UNESCO in 1996 with the Kalinga Award. He made his debut in science fiction writing in 1974, by winning the top prize in the story writing competition organized by the Marathi Vidnyan Parishad, a non-governmental organization engaged in science popularization.

the award-winning series from New York Times bestselling editors Laurie R. King and Leslie S. Klinger, with stories of Sherlock Holmes, Dr. Watson, and friends in a variety of eras and forms. King and Klinger have a simple formula: ask some of the world's greatest writers—regardless of genre—to be inspired by the stories of Arthur Conan Doyle. The results are surprising and joyous. Some tales are pastiches, featuring the recognizable figures of Holmes and Watson; others step away in time or place to describe characters and stories influenced by the Holmes world. Some of the authors spin whimsical tales of fancy; others tell hard-core thrillers or puzzling mysteries. One beloved author writes a song; two others craft a melancholy graphic tale of insectoid analysis. This is not a volume for readers who crave a steady diet of stories about Holmes and Watson on Baker Street. Rather, it is for the generations of readers who were themselves inspired by the classic tales, and who are prepared to let their imaginations roam freely. Featuring Stories by: Peter S. Beagle, Rhys Bowen, Reed Farrel Coleman, Jamie Freveletti, Alan Gordon, Gregg Hurwitz, Toni L. P. Kelner, William Kotzwinkle and Joe Servello, Harley Jane Kozak, D. P. Lyle, Weston Ochse, Zoe Sharp, Duane Swierczynski, and F. Paul Wilson.

Sherlock has retired. Now living in Sussex, he's enjoying a pleasant walk along the beach when he runs into a friend, Harold Stackhurst, headmaster at The Gables. The two acquaintances have just started chatting when they're interrupted by one of the teachers at Stackhurst's school, Fitzroy McPherson. The man appears to be in a great deal of pain and only manages to mutter something about a lion's mane before collapsing, dead. He has strange wounds on his back. Then comes another of the teachers, Ian Murdoch, who claims to have no idea what happened, having just arrived himself. But there is no one else close by. "The Adventure of the Lion's Mane" is part of "The Case-Book of Sherlock Holmes". Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh.
