

Succubus Dreams

The Dark Swan series by #1 New York Times bestselling author Richelle Mead is together at last in this complete bundle! Just typical. No love life to speak of for months, then all at once, every horny creature in the Otherworld wants to get in your pants... Storm Born--Book One Eugenie Markham is a powerful shaman who does a brisk trade banishing spirits and fey who cross into the mortal world. Mercenary, yes, but a girl's got to eat. Her most recent case, however, is enough to ruin her appetite. Hired to find a teenager who has been taken to the Otherworld, Eugenie comes face to face with a startling prophecy--one that uncovers dark secrets about her past and claims that Eugenie's first-born will threaten the future of the world as she knows it. Now Eugenie is a hot target for every ambitious demon and Otherworldly ne'er-do-well, and the ones who don't want to knock her up want her dead. She finds formidable allies in Dorian, a seductive fairy king with a taste for bondage, and Kiyo, a gorgeous shape-shifter who redefines animal attraction. But with enemies growing bolder and time running out, Eugenie realizes that the greatest danger is yet to come, and it lies in the dark powers that are stirring to life within her... Thorn Queen--Book Two Eugenie Markham is paid to bind and banish creatures from the Otherworld. But after her last battle, she's also become queen of the Thorn Land. It's hardly an envious life, not with her kingdom in tatters, her love life in chaos, and Eugenie eager to avoid the prophecy about her firstborn destroying mankind. And now young girls are disappearing from the Otherworld, and no one--except Eugenie--seems willing to find out why. Eugenie has spilled plenty of fey blood in her time, but this enemy is shrewd, subtle, and nursing a very personal grudge. And the men in her life aren't making things any easier. Her boyfriend Kiyo is preoccupied with his pregnant ex, and sexy fey king Dorian always poses a dangerous distraction. With or without their help, Eugenie must venture deep into the Otherworld and trust in an unpredictable power she can barely control. Reluctant queen or not, Eugenie has sworn to do her duty--even if it means facing the darkest--and deadliest--side of her nature... Iron Crowned--Book Three Eugenie Markham is the best at banishing entities trespassing in the mortal realm. But as the Thorn Land's queen, she's fast running out of ways to end the brutal war devastating her kingdom. Her only hope: the Iron Crown, a legendary object even the most powerful gentry fear... Who Eugenie can trust is the hardest part. Fairy king Dorian has his own agenda for aiding her search. And Kiyo, her shape-shifter ex-boyfriend, has every reason to betray her along the way. To control the Crown's ever-consuming powers, Eugenie will have to confront an unimaginable temptation--one that will put her soul and the fate of two worlds in mortal peril... Shadow Heir--Book Four Eugenie Markham strives to keep the mortal realm safe from trespassing entities. But as the Thorn Land's prophecy-haunted queen, there's no refuge for her and her soon-to-be-born-children when a mysterious blight begins to devastate the Otherworld... The spell-driven source of the blight isn't the only challenge to Eugenie's instincts. Fairy king Dorian is sacrificing everything to help, but Eugenie can't trust the synergy drawing them back together. The uneasy truce between her and her shape shifter ex-lover Kiyo is endangered by secrets he can't--or won't--reveal. And as a formidable force rises to also threaten the human world, Eugenie must use her own cursed fate as a weapon--and risk the ultimate sacrifice... Shape-shifting succubus Georgina Kincaid, who gets her energy from seducing men, is frustrated by her non-sexual relationship with best-selling author Seth Mortensen and her attraction to Dante, a dream interpreter, while dealing with a mysterious force that is draining her energy. Original.

The truth is, when you banish the gods from the world, they eventually come back—with a vengeance. In the near future, Justin March lives in exile from the Republic of United North America. After failing in his job as an investigator of religious groups and supernatural claims, Justin is surprised when he is sent back with a peculiar assignment—to solve a string of ritualistic murders steeped in seemingly unexplainable phenomena. Justin's return comes with an even bigger shock: His new partner and bodyguard, Mae Koskinen, is a praetorian, one of the Republic's technologically enhanced supersoldiers. Mae's inexplicable beauty and aristocratic upbringing attract Justin's curiosity and desire, but her true nature holds more danger than anyone realizes. As their investigation unfolds, Justin and Mae find themselves in the crosshairs of mysterious enemies. Powers greater than they can imagine have started to assemble in the shadows, preparing to reclaim a world that has renounced religion and where humans are merely gamepieces on their board. Twelve bestselling authors, twelve Doctors, twelve brilliant adventures in time and space for all Doctor Who fans! This collection features all twelve original Doctor Who short stories, covering each of the twelve Doctors and written by a selection of wonderful children's authors.

Khamun Cross has been assigned an objective that will change his life: to protect Sanna Steele from the dark forces that desire to steal her soul. Khamun is a member of a secret society of Guardian Angels whose battle against The Cursed has been raging for centuries. The Cursed roam the earth to harvest souls for the Dark army, while the Guardian Angels desire to protect The Light. Khamun has been commissioned to watch over Sanna, but in doing so, he also satisfies his secret cravings for the sins of The Cursed. Like a vampire, he feeds off of his enemies. What was now tainted is purified by his touch, and he returns them to The Light. Unbeknownst to Sanna, she is the key to the war, and The Cursed are desperate to have her at all costs. They hunt her, as well as her family and friends, relentlessly. Will Khamun and his team be able to save her from the Dark? Kai Leakes delivers a classic tale of good versus evil in this supernatural thriller.

Being a succubus sounds pretty glamorous. Shape-shifting, killer wardrobe, what's not to like? But Georgina Kincaid's life gets complicated when an unknown entity "helpfully" begins killing her immortal adversaries.

Previously published in *Eternal Lover Seduction* is Georgina Kincaid's weapon—and elixir—of choice. The Seattle-based shape-shifting succubus is used to getting what she wants, when she wants. Until she falls for a mere mortal... Georgina is finally, irrevocably in love, and she doesn't care who knows it. There's just one problem. If she and her boyfriend, Seth Mortensen, succumb to their all-consuming desire, the consequences will be dire: Seth will be destroyed. Of course, no one cares about their struggle to keep their hands to themselves, especially not Georgina's archdemon boss, who is sending her to L.A. to sit on a demon-run tribunal. An immortal has been murdered—and the high court is determined to find the killer and set an example... Bribery, corruption, murder—the three demons on trial will stop at nothing to avoid a guilty verdict. But all the dark magic zipping through the atmosphere must be going to Georgina's head, because suddenly she suspects that Seth is up to no good. Now she can't help but wonder how far she'd be willing to go to make sure she doesn't lose the love of her immortal life... Praise for Richelle Mead "The obvious heir to the Twilight throne."--*The Daily Beast.com* "This is one of those series I'm going to keep following."--Jim Butcher, *New York Times* bestselling author "Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism."--*Booklist*

A wedding on the planet Koturia turns out to be a far more dangerous proposition than the Sixth Doctor and Peri ever expected. It marks the return of a formidable old foe whose genius matches the Doctor's. Can the Doctor outwit this villain, save Peri and stop the wedding in time? American fantasy author Richelle Mead puts her own twist on the Doctor's amazing adventures through time and space.

#1 *New York Times* bestselling author Richelle Mead returns to the Otherworld, a mystic land inextricably linked to our own--and balanced precariously on one woman's desperate courage . . . Shaman-for-hire Eugenie Markham strives to keep the mortal realm safe from trespassing entities. But as the Thorn Land's prophecy-haunted queen, there's no refuge for her and her soon-to-be-born-children when a mysterious blight begins to devastate the Otherworld. . . The spell-driven source of the blight isn't the only challenge to Eugenie's instincts. Fairy king Dorian is sacrificing everything to help, but Eugenie can't trust the synergy drawing them back together. The uneasy truce between her and her shape shifter ex-lover Kiyō is endangered by secrets he can't—or won't—reveal. And as a formidable force rises to also threaten the human world, Eugenie must use her own cursed fate as a weapon--and risk the ultimate sacrifice. . . Praise for Richelle Mead's *Storm Born*. . . "My kind of book--great characters, dark worlds, and just the right touch of humor. A great read." —Patricia Briggs, *New York Times* Bestselling Author

Love hurts, and no one knows it better than Georgina Kincaid. If she so much as kisses Seth Mortensen, the shy, sexy writer she's been dating, she'll drain his life force. Admittedly, the shapeshifting and immortality perks of a succubus are terrific, but it's completely unfair that a she-demon whose purpose is seduction can't get down with the one mortal who accepts her for who she is. . . It's not just her personal life that's in chaos. Doug, Georgina's co-worker at a local bookstore, has been exhibiting bizarre behavior, and Georgina suspects something far more demonic than double espressos. She could use an assist from Bastien, an irresistibly charming incubus and her best immortal friend, but he's giving Georgina some highly distracting come-hither vibes. Georgina is going to have to work solo on this one--and fast, because soon, Doug's life won't be the only one on the line. . . "Compulsively readable." -Rachel Caine "No other succubus will do!" -Vicki Pettersson "A delicious treat for Georgina fans!" -Kat Richardson "If damnation is this fun, sign me up!" -Lilith Saintcrow

Some days, a girl just can't catch a break. . . First, Georgina Kincaid, a shape-shifting succubus who gets her energy from seducing men, can't have sex with her gorgeous bestselling author boyfriend Seth Mortensen--in case she inadvertently kills him. Second, Georgina's under demonic orders to mentor the new (and surprisingly inept) succubus on the block. Third, someone's manipulating her dreams, draining her energy and supplying eerie visions of her future. Georgina seeks answers from Dante, a dream interpreter with ties to the underworld, but his flirtatious charm only leaves her more confused--especially as the situation with Seth reaches a crisis point. Georgina needs to rein in her out-

of-control love life and go toe-to-toe with an enemy capable of wreaking serious havoc among mankind. Otherwise, Georgina, and the entire mortal world, may never sleep easy again. . . Outstanding Praise for Richelle Mead! "This is one of those series I'm going to keep following." --Jim Butcher, New York Times bestselling author on Succubus Blues "My kind of book--great characters, dark worlds, and just the right touch of humor. A great read." --Patricia Briggs, New York Times bestselling author on Storm Born Succubus Dreams Zebra Books

Adie's dreams of living a quasi normal life among humans has gone up in smoke. She's no longer the new succubus with dreams of owning a bakery. She's changed, and so has the world around her. Can she pick up the pieces and find a new path? Part 1 of Succubus Reborn.

What are our favorite authors' favorite words? Which bestselling writer uses the most clichés? How can we judge a book by its cover? Data meets literature in this playful and informative look at our favorite authors and their masterpieces. "A literary detective story: fast-paced, thought-provoking, and intriguing." —Brian Christian, coauthor of Algorithms to Live By There's a famous piece of writing advice—offered by Ernest Hemingway, Stephen King, and myriad writers in between—not to use -ly adverbs like "quickly" or "fitfully." It sounds like solid advice, but can we actually test it? If we were to count all the -ly adverbs these authors used in their careers, do they follow their own advice compared to other celebrated authors? What's more, do great books in general—the classics and the bestsellers—share this trait? In Nabokov's Favorite Word Is Mauve, statistician and journalist Ben Blatt brings big data to the literary canon, exploring the wealth of fun findings that remain hidden in the works of the world's greatest writers. He assembles a database of thousands of books and hundreds of millions of words, and starts asking the questions that have intrigued curious word nerds and book lovers for generations: What are our favorite authors' favorite words? Do men and women write differently? Are bestsellers getting dumber over time? Which bestselling writer uses the most clichés? What makes a great opening sentence? How can we judge a book by its cover? And which writerly advice is worth following or ignoring? Blatt draws upon existing analysis techniques and invents some of his own. All of his investigations and experiments are original, conducted himself, and no math knowledge is needed to understand the results. Blatt breaks his findings down into lucid, humorous language and clear and compelling visuals. This eye-opening book will provide you with a new appreciation for your favorite authors and a fresh perspective on your own writing, illuminating both the patterns that hold great prose together and the brilliant flourishes that make it unforgettable.

Mathews uses a limited definition of paranormal, and examines works set, for the most part, in a relatively realistic modern world inhabited by both humans and paranormal beings.

Adie's dreams of living a quasi normal life among humans has gone up in smoke. She's no longer the new succubus with dreams of owning a bakery. She's changed, and so has the world around her. Can she pick up the pieces and find a new path? Part 3 of Succubus Reborn.

Georgina Kincaid has been a bad, bad succubus. . . . which should be a good thing. But lately, thanks to her foul mood over breaking up with bestselling writer Seth Mortensen, she's been so wicked that Seattle's über-demon Jerome, decides to "outsource" Georgina to a rival--and have her spy for him in the process. Being exiled to the frozen north--okay, Vancouver--and leaving Seth in the cozy clutches of his new girlfriend is unpleasant enough. Then Jerome is kidnapped, and all immortals under his control mysteriously lose their powers. One bright spot: with her life-sucking ability gone, there's nothing to keep Georgina from getting down and dirty with Seth--nothing apart from his girlfriend that is. Now, as the supernatural population starts turning on itself, a newly mortal Georgina must rescue her boss and figure out who's been playing them--or all hell will break loose. . . Praise for Richelle Mead and her Succubus series. . . "Richelle Mead delivers sexy action and tongue-in-cheek hellish humor--if damnation is this fun, sign me up!" --Lilith Saintcrow, author of The Devil's Right Hand "This is one of those series I'm going to keep following." --Jim Butcher, New York Times bestselling author "The mix of supernatural mystery, romance, and reluctant succubus is great fun." --Locus "Mead cooks up an appetizing debut that blends romantic suspense with a fresh twist on the paranormal, accented with eroticism." --Booklist

Georgina Kincaid has formidable powers. Immortality, seduction, shape-shifting into any human form she desires, walking in heels that would cripple mere mortals—all child's play to a succubus like her... Helping to plan her ex-boyfriend's wedding is a different story. Georgina isn't sure which is worse—that Seth is marrying another woman, or that Georgina has to run all over Seattle trying on bridesmaid dresses. Still, there are distractions. Georgina's roommate, Roman, is cluttering her apartment with sexual tension. Then there's Simone, the new succubus in town, who's intent on corrupting Seth. But the real danger lies in the mysterious force that's visiting her thoughts, trying to draw her into a dark, otherworldly realm. Sooner or later, Georgina knows she'll be too weak to resist. And when that happens, she'll discover who she can trust, who she can't—and that Hell is far from the worst place to spend eternity... Praise for Richelle Mead and her Succubus series. . .
