

The Mermaids Revenge

When the huge light of disillusionment covered the entire sky and the earth, the river dried up in an instant. All things died in an instant, the mountains were moved to the ground, and all life was annihilated in an instant.

When you think of Ireland, you immediately see pictures of green, lush meadows with happy sheep, stone walls, picturesque historical walls and storm-swept Atlantic shores. But Ireland is more. Not least because of his open-hearted people, who may sometimes appear coarse and rough, but are sensitive beings at heart, with a penchant for sentimentality. This becomes immediately apparent when you have seen a sing-song in a pub, the devotion with which the Irish belt out old ballads who complain about the hard fate of their ancestors and how great their passion for telling old fairy tales and legends is. Ireland has changed a lot over the past few decades due to the economic upswing, and many Irish people and some foreigners today wistful think back to the good old days when their Ireland was still genuine and authentic. However, if you make a little effort, you can still find a lot of it today. "Unspoilt Ireland - People, Pictures & Legends" describes the country and encounters with its inhabitants, as the author has experienced on numerous trips from the 1970s to today and captured them with his camera and notepad. So: sláinte, there is whiskey in the jar!

Reprint. Thunder rumbles, lightning strikes, danger appears . . . When an out-of-season hurricane sweeps through Corinne's seaside village, Corinne knows it's not an ordinary storm. At first Corinne believes Mama D'Leau, the powerful and cruel jumbie who rules the ocean, has caused the hurricane. Then an even more ferocious storm wrecks the island, sending villagers fleeing their houses for shelter in the mountains, and Corinne discovers the storms weren't caused by a jumbie, but by the angry god Huracan. Now Corinne, with the help of her friends and even some of her enemies, must race against time to find out what has angered Huracan and try to fix it before her island home is destroyed forever. The Jumbie God's Revenge blends Caribbean and West African tales to present powerful themes of community and heroism in a heart-pounding action adventure.

Often the challenges of life push us to either affirm or reject our faith. Is the unseen God Someone that we can trust, in good times as well as bad? Gasparilla's Key offers a look at the life of a young woman who chooses to trust God no matter her circumstances. Grace Shell operates Shell's Inn, the only hotel in Gilead Harbor, with her older brother Maurice. When Maurice begins using all of their income to make mysterious trips, Grace has to rely on God to provide for her needs. She employs one of the occupants of the inn, Morgan Meredith, to do some carpentry and odd jobs. As she gets to know Morgan, she discovers that he is harboring a dangerous secret. His secret becomes more threatening as he becomes engaged to Grace's best friend, Ellen. Then, in one whirling night, Morgan and Grace lose everything. Will Grace's faith in Jesus survive the truth that surfaces after the disaster? Romance, betrayal, and an epic yacht race make Carrie Talick's debut novel perfect for fans of Elin Hilderbrand and Susan Mallery. Hermosa Beach housewife Nancy Hadley is no pushover. So when her philandering husband, Roger, is caught in flagrante with an opportunistic widow on their racing sailboat, Nancy sticks it to him. She tells him she wants a divorce--with the sailboat, Bucephalus, part of the deal, too. Roger would rather make Nancy's life a living hell than give up his boat. But Nancy has other plans. After moving out of their opulent home, she and her posse of girlfriends invest in a racing boat of their own to live on, and she teaches them the fine points of sailing. Meanwhile, and unbeknownst to Nancy, a big real estate development is under way that would destroy her beloved harbor and new home. When scheming Roger returns to ask Nancy to help capture the last committee vote--held by Nancy's old college friend--Nancy prepares for battle. Nancy is not skittish about taking a few risks, so in a bold gambit, she makes a bet with Roger: a showdown in the thrilling Border Dash Race from Newport Harbor down to Ensenada, Mexico. The winner of the race will get everything they want. The stage is set for the race of a lifetime--and the tantalizing possibility of new romance for Nancy--in a novel as heartwarming as it is breathlessly exciting.

His past sins may destroy her future... Ex-military sniper, Nick White, drives a big rig to shove time served in Afghanistan into the rearview mirror. He wants nothing to do with people's good intentions or the chain of truck stops his wealthy family owns. Every solitary mile he travels helps grapple with a guilt that runs deep. Brenna Carpenter pays the bills waiting tables at a Pennsylvania truck stop while finishing her business degree. Her plans don't include desertion at a trailer park like her mother. A truck driver, no matter how sexy, complicates that ambition, but it's the stalker that robs her focus. Mysterious notes and gifts grow more possessive each day. When Nick's violent past threatens Brenna, driving away isn't an option. If he can't track down the man who wants revenge, their budding relationship may come to the end of the road...

Wars may end. But vengeance is forever. Roudette's story was a simple one. A red cape. A wolf. A hunter. Her mother told her

she would be safe, so long as she kept to the path. But sometimes the path leads to dark places. Roudette is the hunter now, an assassin known throughout the world as the Lady of the Red Hood. Her mission will take her to the country of Arathea and an ancient fairy threat. At the heart of the conflict between humans and fairies stands the woman Roudette has been hired to kill, the only human ever to have fought the Lady of the Red Hood and survived—the princess known as Sleeping Beauty.

High adventure, scary encounters and narrow escapes are in store for our beautiful and adventurous mermaid Breeze as she comes face to face with The Tridon. Now...The Tridon is of human form with a scaly body and fins that resemble that of a fish and a monstrous, ugly head with horns on top and bulging eyes. His form is rendered in such a grotesque manner that anyone looking upon this hideous sight for an extended period of time would be overcome by fear so intense that it could drive them mad. THE TRIDON is a wicked sea creature that can destroy both men and ships, a monstrous creature from the deep that Breeze's father, Neptune had under total control and at his beck and calling to do the dirty work of killing men and destroying ships when he, himself did not want to dirty his hands. Unusual events occur that causes this creature not only to lose all reasoning but also causes it to become totally out of control and even more frightening and monstrous than it ever was in its original state. Breeze is taken captive more than once, and perilous circumstances cause her to again almost lose her life.

In the second book of the Mermaid's Revenge Series, Mandy is now a Mermaid and must learn to swim with the fish. She is beautiful, magical, but also monstrous. She believes she will never see her family again. Aboard the Bold Fortune, stowaway Adam is named Captain by the scheming first mate. Not everyone is on board with Adam's rise to power. Since his first order of business is to go to Mandy's mother and sisters, he'll need the support and the courage of the younger Lost Boys to challenge the remaining crew and keep power. Will the friends embarking on this new evolution end up on opposing sides?

In this fantastical novel, the acclaimed author of Longbourn brings us the magical story of a young girl in search of her mother...who just might be a mermaid. Malin has always been different, and when her father dies, leaving her alone, her choice is clear: stay, and remain an outsider forever, or leave in search of the mythical inheritance she is certain awaits her. Apprenticed to a series of strange and wonderful characters, Malin embarks on a grueling journey that crosses oceans and continents—from the high seas to desert plains—and leads to a discovery that she could never have expected. Beautifully written and hauntingly strange, *The Mermaid's Child* is a remarkable piece of storytelling, and an utterly unique work of fantasy from literary star Jo Baker.

A century before psychoanalytic discourse codified a scientific language to describe the landscape of the mind, Johann Wolfgang von Goethe explored the paradoxes of an interior self separate from a conscious self. Though long acknowledged by the developers of depth psychology and by its historians, Goethe's literary rendering of interiority has not been the subject of detailed analysis in itself. *Goethe's Allegories of Identity* examines how Goethe created the essential bridge between the psychological insights of his contemporary, Jean-Jacques Rousseau, and the psychoanalytic theories of his admirer Sigmund Freud. Equally fascinated and repelled by Rousseau's vision of an unconscious self, Goethe struggled with the moral question of subjectivity: what is the relation of conscience to consciousness? To explore this inner conflict through language, Goethe developed a unique mode of allegorical representation that modernized the long tradition of dramatic personification in European drama. Jane K. Brown's deft, focused readings of Goethe's major dramas and novels, from *The Sorrows of Young Werther* to *Elective Affinities*, reveal each text's engagement with the concept of a subconscious or unconscious psyche whose workings are largely inaccessible to the rational mind. As Brown demonstrates, Goethe's representational strategies fashioned a language of subjectivity that deeply influenced the conceptions of important twentieth-century thinkers such as Freud, Michel Foucault, and Hannah Arendt.

Everyone said that women should not become sailors, and the Law backed them up. If a woman was caught on board a ship, she would be thrown overboard to protect the crew and the ship from her incompetence. But the sea never forgets, and the women thrown overboard have a tendency to change. And once changed, they seek their revenge on the men who killed them. Anna is no exception to this rule. but her desire for vengeance is complicated by two sailors, Colin (her best friend who tried to save her), and her little brother Jack. Which force is stronger, love or revenge?

Brings these fabled creatures out of the storybooks and into real life. Stories of the merfolk, especially mermaids, exist in nearly every culture that ever sailed the oceans or large rivers. Humanlike, except for their iridescent, scaly tails, mermaids and mermen have fascinated humans for thousands of years. Because the largest of these beings exist in the oceans, most people are not aware that smaller versions of the merfolk live in inland rivers, streams, marshes, and waterfalls. Like many other magical beings, the merfolk travel easily between this world and the astral planes, appearing only to those who truly seek to know them and learn their ancient powers. *Magickal Mermaids and Water Creatures* bring these fabled creatures out of the storybooks and into real life through the studies of D. J. Conway. Within the pages you

will learn: The secret powers of mermaids and mermen Different water creatures and where you can find them How to entice water folk for friendship and health How to avoid dangerous water folk This book was originally published in 2008. It is republished here with a new cover and a new foreword by Skye Alexander.

This book is the first to offer a justice-focused cognitive reading of modern YA speculative fiction in its narrative and filmic forms. It links the expansion of YA speculative fiction in the 20th century with the emergence of human and civil rights movements, with the communitarian revolution in conceptualizations of justice, and with spectacular advances in cognitive sciences as applied to the examination of narrative fiction. Oziewicz argues that complex ideas such as justice are processed by the human mind as cognitive scripts; that scripts, when narrated, take the form of multiply indexable stories; and that YA speculative fiction is currently the largest conceptual testing ground in the forging of justice consciousness for the 21st century world. Drawing on recent research in the cognitive and evolutionary sciences, Oziewicz explains how poetic, retributive, restorative, environmental, social, and global types of justice have been represented in narrative fiction, from 19th century folk and fairy tales through 21st century fantasy, dystopia, and science fiction. Suggesting that the appeal of these and other nonmimetic genres is largely predicated on the dream of justice, Oziewicz theorizes new justice scripts as conceptual tools essential to help humanity survive the qualitative leap toward an environmentally conscious, culturally diversified global world. This book is an important contribution to studies of children's and YA speculative fiction, adding a new perspective to discussions about the educational as well as social potential of nonmimetic genres. It demonstrates that the justice imperative is very much alive in YA speculative fiction, creating new visions of justice relevant to contemporary challenges.

Fans of Amanda Hocking's novel, *Wake*, will dive into this paranormal romance featuring mermaids--the killer kind--and won't come up for air! Calder White lives in the cold, clear waters of Lake Superior, the only brother in a family of murderous mermaids. To survive, Calder and his sisters prey on humans and absorb their positive energy. Usually, they select their victims at random, but this time around, the underwater clan chooses its target for a reason: revenge. They want to kill Jason Hancock, the man they blame for their mother's death. It's going to take a concerted effort to lure the aquaphobic Hancock onto the water. Calder's job is to gain Hancock's trust by getting close to his family. Relying on his irresistible good looks and charm, Calder sets out to seduce Hancock's daughter Lily. Easy enough, but Calder screws everything up by falling in love--just as Lily starts to suspect there's more to the monster-in-the-lake legends than she ever imagined, and just as the mermaids threaten to take matters into their own hands, forcing Calder to choose between them and the girl he loves. One thing's for sure: whatever Calder decides, the outcome won't be pretty. "Riveting! A cold-blooded tale of secrets, revenge, and forbidden love that will leave you terrified to go in the water."--Gretchen McNeil, author of *Possess* "Scary and spooky . . . I really enjoyed reading this."--USA Today "A haunting tale of revenge and romance."--Justine Magazine

Captain James Hook was once a good man trying to make a somewhat honest living. He is a pirate, after all. However, after getting word that a boy named Peter Pan played a part in the death of a dear loved one, Hook makes it his sole purpose to hunt down and destroy the fiend. On his journey for vengeance, the captain encounters many new comrades, including a young girl named Red and a fairy called Tinker Bell, and both push him to reconsider his desire for justice. The accidental rescue of a mermaid leads him on a whirlwind adventure in Neverland. The journey is not a simple one, considering Pan, the Lost Boys, mermaids, and magic all come into play. After several misadventures, Hook must choose between the possibility of a new life with love and his much-desired retaliation against Pan. Once everything is said and done, will the captain be able to overcome his need for revenge? Will he let compassion steer him toward love? Or will Captain Hook live up to his villainous reputation?
