A sexual assault survivor seeks to find her truth, face her truth and speak her truth. Grace once spent the best summers of her life in New Harbor. Now that she's returned, though, the place just reminds her of all she's lost: her father, her best friend, her boyfriend and any memory of the night that changed her forever. People say the truth will set you free, but Grace isn't sure about that. Once she starts looking for it, the truth about that night is hard to find — and what happens when her healing hurts the people she cares about the most? Marci Lyn Curtis, the critically acclaimed author of *The One Thing*, has crafted an honest and emotional story that will resonate with the wide range of readers impacted by sexual assault. Sexual assault does not define this story, however, just as it does not define Grace. Wry humor and true love emerge as Grace, like many in the #MeToo era, seeks to find her truth, face her truth and speak her truth. Features Disney's most notorious villains, from Maleficent and the Evil Queen to Gaston and Jafar. You'll discover each villain's motivation, whether that be ambition, revenge, greed, a love of trickery or, in some cases, a nature that is simply evil
