A 2018 Pura Belpré Author Honor Book The First Rule of Punk is a wry and heartfelt exploration of friendship, finding your place, and learning to rock out like no one's watching. There are no shortcuts to surviving your first day at a new school—you can't fix it with duct tape like you would your Chuck Taylors. On Day One, twelve-year-old Malú (María Luisa, if you want to annoy her) inadvertently upsets Posada Middle School's queen bee, violates the school's dress code with her punk rock look, and disappoints her college-professor mom in the process. Her dad, who now lives a thousand miles away, says things will get better as long as she remembers the first rule of punk: be yourself. The real Malú loves rock music, skateboarding, zines, and Soyrizo (hold the cilantro, please). And when she assembles a group of like-minded misfits at school and starts a band, Malú finally begins to feel at home. She'll do anything to preserve this, which includes standing up to an anti-punk school administration to fight for her right to express herself! Black and white illustrations and collage art throughout make The First Rule of Punk a perfect pick for fans of books like Roller Girl and online magazines like Rookie.

Wine serves an important role both in Scripture and in the Christian church, but its significance has received relatively little theological attention in modern times. This book fills that gap. Viewing wine as a gift of God's created bounty and as a special symbol used pervasively throughout Scripture, Kreglinger canvasses the history of wine in the church, particularly its use in the Lord's Supper, discusses the fascinating process of winemaking, and considers both the health benefits of wine and the dangers of alcohol abuse. Offering a vision of the Christian life that sees God in all things - including the work of a vintner and the enjoyment of a well crafted glass of wine.

This authentic, loving celebration of gratitude & community—written by a citizen of the Cherokee nation—follows celebrations and experiences through the seasons of a year, underscoring the traditions and ways of Cherokee life.

A lively husband and wife team recounts their twenty-year climb from amateur winemakers to recipients of an almost unheard-of perfect score from Robert Parker's Wine Advocate. Kathryn and Craig Hall launched themselves head first into Napa Valley 20 years ago with the purchase of an 1885 winery and never looked back. Since the couple's purchase of their debut winery, their critically acclaimed HALL Wines and WALT Wines have become fixtures of the California wine industry, winning numerous accolades including a coveted 100-point "perfect score." A PERFECT SCORE weaves a vibrant tale of the HALL brand's meteoric rise to success, Napa Valley's tug-of-war between localism and tourism, and the evolving nature of the wine industry as a whole. Readers who love a good glass of wine will find much to savor in the Halls' expert account of the art, soul, and business of a modern winery.

FINALIST FOR THE BOOKER PRIZE 10 BEST BOOKS OF 2017, NEW YORK TIMES BOOK REVIEW WINNER OF THE L.A. TIMES BOOK PRIZE FOR FICTION and THE ASPEN WORDS LITERARY PRIZE "A breathtaking novel...[that] arrives at an urgent time." —NPR "It was as if Hamid knew what was going to happen to America and the world, and gave us a road map to our future... At once terrifying and ... oddly hopeful." —Ayelet Waldman, The New York Times Book Review "Moving, audacious, and indelibly human." —Entertainment Weekly, "A" rating A New York Times bestseller, the astonishingly visionary love story that imagines the forces that drive ordinary people from their homes into the uncertain embrace of new lands. In a country teetering on the brink of civil war, two young people meet—sensual, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, and are soon cloistered in a premature intimacy by the unrest roiling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors—doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. . . . Exit West follows these remarkable characters as they emerge into an alien and uncertain future, struggling to hold on to each other, to their past, to the very sense of who they are. Profoundly intimate and powerfully inventive, it tells an unforgettable story of love, loyalty, and courage that is both completely of our time and for all time.

Many times, ordinary happenings in our lives serve to beautifully illustrate and reveal God's truths to us. Jesus set the example by using everyday happenings (parables) to illustrate the truths in all His teachings. And if we simply keep our eyes open, we could observe that God is still teaching us in the same manner. We could also be aware that even many well known Scriptures may contain beautiful truths that are often overlooked by the casual student. In this study, a lifelong Bible teacher with an unusual passion for searching out these little hidden lessons, not only by observing and applying everyday happenings to illustrate the meanings of various Scriptures, but also looking at several familiar Scriptures through different lenses in an effort to find additional truths. Herein, he shares some of these little hidden treasures with us.

h2What happens when your past catches up with you... Heartwarming and uplifting. /H2 "I'm fine. I'm sorry. Please take care of him for me. And maybe one day I'll get to explain." Angie knows a lot about her best friend Kitty. She knows Kitty is mad and wild and loves to wear clashing colors. She knows she's incredibly funny and generous but also very unreliable. And she knows that there is a perfect explanation for Kitty standing her up on her birthday. She thinks she knows everything about Kitty, except that she doesn't. Kitty knows that she is the happiest she has ever been. She knows she's so lucky to have a lovely boyfriend and a best friend like Angie. But what she doesn't know is one night, her past is finally going to catch up with her and change everything. If you adore Marian Keyes and Jojo Moyes, then you'll love Claudia Carroll's Me & You.

Burgundy, Bordeaux, Champagne. The names of these and other French regions bring to mind time-honored winemaking practices. Yet the link between wine and place, in French known as terroir, was not a given. In *The Sober Revolution*, Joseph Bohling inverts our understanding of French wine history by revealing a modern connection between wine and place, one with profound ties to such diverse and sometimes unlikely issues as alcoholism, drunk driving, regional tourism, Algeria's independence from French rule, and integration into the European Economic Community. In the 1930s, cheap, mass-produced wines from the Languedoc region of southern France and French Algeria dominated French markets. Artisanal wine producers, worried about the impact of these "inferior" products on the reputation of their wines, created a system of regional appellation labeling to reform the industry in their favor by linking quality to the place of origin. At the same time, the loss of Algeria, once the world's largest wine exporter, forced the industry to rethink wine production. Over several decades, appellation producers were joined by technocrats, public health activists, tourism boosters, and other dynamic economic actors who blamed cheap industrial wine for hindering efforts to modernize France. Today, scholars, food activists, and wine enthusiasts see the appellation system as a counterweight to globalization and industrial food. But, as *The Sober Revolution* reveals, French efforts to localize wine and integrate into global markets were not antagonistic but instead mutually dependent. The time-honored winemaking practices that we associate with a pastoral vision of traditional France were in fact a strategy deployed by the wine industry to meet the challenges and opportunities of the post-1945 international economy. France's luxury wine producers were more market savvy than we realize.

Based on the web phenomenon Dogshaming and containing photos that are all-new and exclusive to the book, this hilarious album showcases adorable snapshots of shamed pups confessing their biggest - and grossest - sins.

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, historical milestones, famous birthdays, festivals, sporting events and much more. "The Oxford English Dictionary of holidays."--NPR's Planet Money.

Peter M. F. Sichel, a fourth-generation wine merchant, found the path he was destined to walk interrupted by the Nazis while growing up as a Jew in Germany. He moved to France in 1939 but was imprisoned as an enemy alien at the outbreak of World War II. When he was released, he hid in the Pyrenees before reaching the United States in 1941. After joining the Army, he served with the U.S. Office of Strategic Services, sending spies into Germany, before becoming a senior official with the Central Intelligence Agency, where he served in key positions in Berlin, Hong Kong, and Washington. In this memoir--which needed to be cleared by the CIA--he describes how the Nazis took over Germany, the odd attitude of German Jews to being Jewish, the fault lines in U.S. intelligence during the Cold War, and the life lessons he learned in the wine business. "Peter Sichel was a true insider during the heyday of the CIA during the late 1940s and 1950s. From Berlin to Hong Kong, he served in a global secret war that was, by turns, gallant, necessary, dangerous, and wrongheaded. ... His memoir is clear-eyed, charming, and fascinating." --Evan Thomas, author of *The Very Best Men: The Daring Early Years of the CIA* "Peter Sichel is an iconic figure in the history of wine. With his European upbringing and early years in the CIA, his story is both fascinating and compelling. His success with Blue Nun is nothing short of classic marketing." --Marvin R. Shanken, Editor & Publisher, *Wine Spectator*

Plus everything else you need to know to buy, store, serve, and enjoy the world's most captivating beverage.

Winner of: Gourmand Magazine Best US wine book translation Slate Cartoonist Studio Award nominee A graphic novel that explores the nature of one's vocation, this book offers a look at the daily devotion to craft in two dissimilar professions. Étienne Davodeau is a comic artist—he doesn't know much about the world of winemaking. Richard Leroy is a winemaker—he's rarely even read comics. But filled with good will and curiosity, the two men exchange professions, and Étienne goes to work in Richard's vineyards and cellar, while Richard, in return, leaps into the world of comics. Providing a true-life representation of how both professions work, this insightful book investigates two fascinating fields, exploring each man's motivations and ultimately revealing that their endeavors and aspirations are not much different.

Manifest the future you deserve with 28 white magic spells and guided journal prompts in *Spellcraft*.

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the *Odyssey* as a hero in her own right" (Alexandra Alter, *The New York Times*). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, *Circe* is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

INSTANT NEW YORK TIMES BESTSELLER From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in *American Like Me*, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.
