Perfect for fans of Kathryn Erskine's *Mockingbird* and Holly Goldberg Sloan's *Counting by 7s*, this is a stunningly unique and poignant story of one girl's strength and courage as she decides who she is and what she will believe in. Behind the white-washed walls of the Arizona compound, life was simple. Follow the rules, "live in the light," and all would be well. Zyllynn was excited to turn thirteen and begin the work of bringing others into the light, to save them from the liars and the darkness of the outside world. But when she is taken away by a man who claims to be her father, Zyllynn is confused, and desperate to return to her home. Zyllynn resists her new life—until she finds small comforts, like shampoo, the color pink, and strawberries. But as her thirteenth birthday approaches, Zyllynn must make a difficult decision—to stay here with the enemy, or find her way back to the light. And neither may be what they seem.

Creativity has long been thought of as a personal trait, a gift bestowed on some and unachievable by others. While we laud the products of creativity, the stories behind them are often abridged to the elusive "aha!" moment, the result of a momentary stroke of genius. In *The Craft of Creativity* Matthew A. Cronin and Jeffrey Loewenstein present a new way to understand how we innovate. They emphasize the importance of the journey and reveal the limitations of focusing on outcomes. Drawing on a wide range of scholarship, their own research, and interviews with professionals and learners who employ creativity in the arts, engineering, business, and more, Cronin and Loewenstein argue that creativity is a cognitive process that hinges on changing one's perspective. It's a skill that anyone can hone, and one that benefits from thinking with others and over time. Breaking new ground in the discussion about how we innovate, this book provides strategies that everyone can use to be more creative.

Promotes the theory that superior customer service leads to a superior business organisation

Remember the '70s? Way back then, IT was a mainframe that sat in some room and only a few people had a key. Flash forward a decade, and IT was a limited set of systems irrelevant to the vast majority of employees and customers. But today, all of the sudden, technology belongs to everyone. Because of the suddenness of this revolution in technology adoption, most IT organizations have not had enough time to evolve into a "comfortable integration" with the rest of the company. This lack of comfortable integration has led to confusion over who is truly accountable for the return on technology investments, how much influence IT leaders should have over a company's business strategy, and whether CEOs need to hire Chief Digital Officers onto their senior leadership teams. Through interviews with dozens of CIOs, Heller has created a snapshot of what CIOs are doing to lead IT in a climate where technology belongs to everyone. She addresses how CIOs are changing their operating models, their approaches to talent development, and their assessment of the new IT provider marketplace. Most importantly, Heller defines the top ten skills and behaviors that CIOs will need to develop if they are going to be successful in an ever changing landscape. As a master storyteller, Heller incorporates philosophy, humor, and pragmatic advice into a book that both informs and entertains.

Snapped and seduced: there's nothing more dangerous than a restless Corretti... Taylor Carmichael holds one thing precious: the reputation she's spent years rebuilding. Then one encounter with Corretti Lothario Luca, a bottle of chilled champagne and a skintight dress and the paparazzi have their shot. Cool, calm and irritatingly aloof, Luca couldn't care less. Splash his face over the papers—he has bigger fish to fry. But Taylor is fuming. Luca had the chance to halt the press and refused. Well, this time she'll make the headlines work for her: Stop the press—bad boy Luca Corretti to wed screen siren Taylor Carmichael!

For decades, Zig Ziglar has steered millions of people toward richer, more satisfying lives. Now, in *God's Way Is Still the Best Way*, this dynamic author and speaker teaches you biblical principles that will infuse your faith with action and skyrocket your impact on the world. Ziglar shares how developing the fruits of the Holy Spirit are key to an energized, God-centered life. Each chapter is filled with stories of men and women like Tony Evans, Mary Kay Ash, and Dr. Kenneth Cooper whose love for Jesus propels them to share their faith and provide relief to a hurting world. A lively, Christ-centered book that teaches by example, *God's Way Is Still the Best Way* will inspire you to experience success God's way, which, as Ziglar says, is the only permanent way.

This book presents and analyses exemplary cases of progressive business, understood as ecologically sustainable, future-respecting and pro-social enterprise. The authors present a number of companies following progressive business practices from a range of industries including ethical and sustainable banking, artisan coffee production and distribution, pharmaceutical products, clean technology, governance in retailing, responsible hospitality and consumer goods. With case studies from around Europe such as Tridos Bank in The Netherlands, Béres Co. in Hungary, Novo Nordisk in Denmark, Lumituuli in Finland, John Lewis in the UK and Illy Café from Italy, these progressive companies have global reach and an international impact. The collected cases aim to show the best to be expected from business in the 21st century in a structured accessible way, suitable for any readers interested in innovative ways of creating forward-looking sustainable business.

Coleridge's theories, insights and practical criticism underlie nearly all subsequent criticism in English. It was not only that he turned decisively away from eighteenth century views (clearly and usefully surveyed in the first chapter). His powerfully general theories of the imagination and of poetic language and structure provided permanent insights. He saw the plays as organic structures of poetic effects, the product of conscious artistry. These served Shakespeare's deep human insight, both psychological and moral. Dr Badawi provides a lucid analysis of the elements of Coleridge's criticism of Shakespeare, demonstrating the relationship with his criticism generally, and bringing out its originality, its validity and its influence on our concepts of poetic language, dramatic form and our response to the whole medium. Read Larry Winget's posts on the Penguin Blog. Straight-talking, bestselling Pitbull of Parenting Larry Winget says "This is not a fix your kid book. It's a fix the way you parent book. You owe it to your kids to parent with a plan!" Being a parent is the toughest job in the world, especially with the increasing number of negative influences and pitfalls facing our kids today, from childhood obesity and out-of-control celebrity culture to the dangers of the internet and credit card debt. Larry Winget has never been one to shy away from tough truths, and what he says here may well be difficult for some parents to swallow: we are in the midst of a crisis with our kids. Kids today are over-indulged, over-entertained, under-achieving, and under-disciplined, with a sense of entitlement that is crippling society. And the real problem is that parents aren't paying attention to what's going on. If they were they would realize that most kids today barely read and write, except with their thumbs on their cell phones! Well-behaved, respectful kids are the exception, not the rule, and for the most part, parents are to blame. Responsible parenting is about beginning with the end in mind and parenting with a plan. But most parents have never stopped to consider what kind of adult they want to raise. They have all this fun creating a baby, but they don't have a plan for the end product. Larry's message to parents: Teach your kids to become the best adults they can be. But don't expect your kids to improve until you improve. *Your Kids Are Your Own Fault* covers familiar lessons and principles that have led Larry's readers to greater success with money, career, and goal setting, this time at a level where they can be taught to children. This book shows parents how to design the adult they want their kid to become and work backwards to make sure it happens. Kids don't come with an instruction manual, but finally being a parent does! A young homeless boy. An old man who had lost everything. An unlikely friendship that brought healing to both. Ben doesn't know what to think when a homeless boy shows up late one night behind Angelo's Bakery where he works as a handyman. He'd seen his share of suffering humanity on the streets of Philadelphia, but this boy is so young? so vulnerable. Pushing sixty and feeling as if his life has no purpose, Ben wrestles with his own demons. A recovering alcoholic, he is gripped with remorse over the loss of his wife and son, but determined to stay sober. Twelve-year-old Aden starts to run when an old man comes out of Angelo's Bakery and catches him hiding, but something about the man draws Aden to him. Terrified and naive to life on the streets, Aden was forced to forge his own survival in the face of dangerous predators and violence after his mother abandoned him almost a year ago. Can Aden trust the gentle old man who offers him food and a hand of friendship? Will Ben be able to forgive himself and search for his son? *While You Walked By* delivers a heartfelt, coming-of-age story about the hope that can be found even in the most desperate circumstances.

Fashions change Chase Etheridge is organizing the most challenging event of his career--his sister's bachelorette party. Normally cool under pressure, the situation has Chase hot under the collar, and he knows exactly who to blame: Lola Lombard, party organizer, queen of all things vintage, and absolute bombshell! But true love is timeless! Behind Lola's pin curls and red lipstick hides a girl who's never believed she amounts to much. It's up to Chase to convince her that he loves her just the way she is, whether dressed in old-style glamour or as his brand-new bride!

Agricultural mechanization in Africa south of the Sahara — especially for small farms and businesses — requires a new paradigm to meet the needs of the continent's evolving farming systems. Can Asia, with its recent success in adopting mechanization, offer a model for Africa? *An Evolving Paradigm of Agricultural Mechanization Development* analyzes the experiences of eight Asian and five African countries. The authors explore crucial government roles in boosting and supporting mechanization, from import policies to promotion policies to public good policies. Potential approaches presented to facilitating mechanization in Africa include prioritizing market-led hiring services, eliminating distortions, and developing appropriate technologies for the African context. The role of agricultural mechanization within overall agricultural and rural transformation strategies in Africa is also discussed. The book's recommendations and insights should be useful to national policymakers and the development community, who can adapt this knowledge to local contexts and use it as a foundation for further research.

In our contemporary world where race, religion, culture and other human characteristics meet, connect, fuse, overlap and clash, so many challenges regarding faith, belief and metaphysical issues present themselves. The Abrahamic traditions are the result of thousands of prophets and messengers coming to guide humankind which culminated with the Prophet Muhammad, whose gift of the Qur'an is of universal value. The Qur'an's miracle is that its verses repeatedly reveal the seamless connection between infinite, unseen, cosmic lights with finite, relative, and limited earthly consciousness. This selection of key verses are universally useful for all times and for all people for every moment in the human journey. This book presents Qur'anic Universal renderings that connects the absolute and the relative in a unified voice that transforms and transports the reader to the eternal reality that is both transcendent and immanent. It is an essential reference for the inner technology guiding towards transformation that echoes in the hearts of the sincere seeker. - Adnan al Adnani, author of Lights of Consciousness: A Sufi view of Science and Spirituality Shaykh Fadhlalla's wise commentary and rendering of the verses enable the reader, whether newcomer or more experienced, to clearly understand the Qur'anic map and guide to life. This little book opens a door allowing us to hear a wake-up call for all humanity, regardless of belief or philosophy of life. - Dr Neil Douglas-Klotz, author of The Sufi Book of Life and A Little Book of Sufi Stories

What if you discovered that Kurt Cobain was not only alive, but might be your real father? This nuanced and bittersweet YA debut will keep you guessing until the end. "Utterly gorgeous. Mesmerizing. Hypnotic. I love this book." —Jennifer Niven, New York Times bestselling author of All the Bright Places Nico Cavan has been adrift since her mother vanished when she was four—maternal abandonment isn't exactly something you can just get over. Staying invisible at school is how she copes—that and listening to alt music and summoning spirits on the Ouija board with her best friend and coconspirator in sarcasm, Obe. But when a chance discovery opens a window onto her mom's wild past, it sparks an idea in her brain that takes hold and won't let go. On a ferry departing Seattle, Nico encounters a slight blond guy with piercing blue eyes wearing a hooded jacket. Something in her heart tells her that this feeling she has might actually be the truth, so she follows him to a remote cabin in the Pacific Northwest. When she is stranded there by a winter storm, fear and darkness collide, and the only one who can save Nico might just be herself.
